### [International Workers Day: Solidarity and the Search for Global Social Justice](#)

*Posted on Apr 30, 2019 06:50 pm*

The 1st of May, International Workers Day, is a time to remember and celebrate the achievements of labour organisations and other social movements. Their sacrifices and struggles have enabled millions of people to have more influence over their workplaces and conditions resulting in restricting child labour, establishing minimum wages, workplace safety, and in some nations [...]
